

PCHS Fine Arts Boosters

<http://www.pchsfineartsboosters.org/>

Meeting Minutes

12/16/2008 7pm – 8:30pm

West Regional Library Conference Room

Attendees: Beth Gatts, Todd Gatts, Bing Cox, Linda English, Lara Hamblen (and special guest Ethan Hamblen)

We reviewed the goals of the organization:

- a. To support the faculty of PCHS Fine Arts Departments consisting of Visual Arts, Theatre, and Dance and their programs. Chorus and Band are supported by separate booster organizations.
- b. To promote and encourage a cooperative relationship among the administration, faculty, parents, students, and the local community in the Visual Arts, Theatre, and Dance programs at PCHS.
- c. To provide volunteers and financial support to the PCHS Visual Arts, Theatre, and Dance programs.

By-Laws

- We made one addition to the By-Laws. We added that “The officers of this organization shall have a student currently attending Panther Creek High School or be employed at Panther Creek High School.” This was done so that, while still being eligible to be on the boosters, alumni parents would not be eligible to server on the board. In the past other schools have apparently had problems with certain families taking over booster organizations even after their children have graduated.
- We voted to approve the modified By-Laws.
- We agreed to set dues for this year at \$5. With payment of dues, FAB members will receive a coupon good for admission for one person to one Dance, Theatre, or Visual Arts event that school year. Lara agreed to make up the membership cards and the coupons. Our goal is to have them ready in time for the parents meeting for the spring musical (Feb 3rd) and the 2nd semester open house (Feb 12th).

Board of Directors

- Beth Gatts was nominated and agreed to server as President
- Linda English volunteered to serve as Treasurer
- We will look for someone to server as Vice President and as Secretary. We would like to get at least one Dance parent/guardian involved in one of these roles.
- The next board meeting will be on January 27, 2008. We will announce the place for the meeting on the web site and via e-mail.

Next Steps

Bing to get with Brad Bensen (Chorus Director) or David Robinson (Band Director) to get advice on what we need to do next based upon their experiences.

Beth will check with Bob Auchter (from the Band Boosters) for his advice.

Beth will check with Claudia Czap to see if she'd be interested in serving as VP or Secretary.

Our first missions are to do what we need to do to get our bank account set up, work towards tax exempt status, and organized to help support the Spring Musical.

Next Fine Arts Board Meeting is January 27th at 7pm at the West Regional Library (Beth to confirm availability of the conference room).
